It was agreed during the MMP bi-weekly conference call on the 5th of December 2014 to use the available DRAFT dissemination plan as basis for the milestone decision on the dissemination strategy. The initial dissemination plan is only due in month 18 and the final plan in month 36, but meanwhile the dissemination activities have already been discussed within the work packages and with the work package leaders. The draft dissemination plan is a good summary of the discussions.

The draft dissemination plan has been sent to all partners on the 8th of December 2014 and the work package leaders have been asked on behalf of their team to formally approve via e-mail the dissemination strategy as far as it is described in the document. The work package leaders are:

WP1: B. Patzák (CTU)
WP2: A. Sitomaniemi (VTT)
WP3: M. Apel (Access e.V.)
WP4: V. D. Hildenbrand (Philips Lighting B.V., Author)
WP5: J.-P. Krugers (TNO)
WP6: J.-P. Krugers (TNO)

The e-mails are attached as prove of the consent of the partners and other workpackage leaders, respectively.
